

Specification For NUC KIT System - 02 Nos

| No. | Characteristic | Minimum Requirement | Bidders Response | |
|-----|--------------------------------|--|------------------|------------------------------|
| | | | Yes/ No | Details of the bidders offer |
| 1 | Make | An Internationally recognized brand name which is currently in use and make must be specified by the bidder. | | |
| 2 | Model | An Internationally recognized model name which is currently in use and model must be specified by the bidder. | | |
| 5 | Country of Origin | Must be specified by the bidder. | | |
| 6 | Country of Manufacture | Must be specified by the bidder. | | |
| 7 | Processor | Intel 6th Generation Core i5 Processor or better | | |
| 8 | Processor Speed | 2.30 GHz or faster | | |
| 9 | Cache Memory | 3 MB or better | | |
| 10 | Memory | 4GB DDR4 2400MHz or better | | |
| 11 | Storage | 500 GB or Above | | |
| 13 | Graphics Port | HDMI Port, Display Port, Mini Display Port | | |
| 15 | Communication - Wired Ethernet | Inbuilt 10/100/1000 Mbps Ethernet LAN slot | | |
| 16 | Communication - Wireless LAN | Inbuilt 802.11 a/c support or better | | |
| 18 | USB Ports - USB 3 (or later) | 2 (or more) | | |
| 19 | USB Ports - USB 2.0 | 1 (or more) | | |
| 20 | USB Ports - Total | 4 (or more) | | |
| 21 | Card Reader | SD4.0 Media Card Reader | | |
| 22 | Webcam | Optional. Availability and specification (if available) must be specified by the bidder. | | |
| 23 | Audio | Must be specified by the bidder. | | |
| 24 | Audio Ports | Combo audio/microphone jack. | | |
| 26 | Key Board | Wireless English Keyboard must be included. | | |
| 27 | Mouse | Wireless Optical Mouse must be included. | | |
| 28 | Power Adapter | 19V, 120W AC-DC power adapter | | |
| 30 | Operating System | Genuine Windows 10 Professional 64 Bit or better Licensed installed with recovery support | | |
| 31 | Drivers and Software | Bidder should provide all the drivers with manuals for all the software hardware and device drivers | | |
| 32 | Product Warranty | Three (03) years manufacturer comprehensive onsite warranty with total fault resolution time less than 48 hours. Bidder should provide on-loan similar capacity PC in critical breakdowns to minimize the downtime if they are unable to solve the problem within 08 office working hours. | | |
